"THE TRUTH IS IN THE WORD"

Christ's Return Is Near, Don't Miss It For The World

A short time ago, we returned from a four day Prophetic Bible Conference held in St. Petersburg, FL. Twelve Prophecy ministers from various parts of the world all agreed the Lord's return for His church is imminent. There are many Prophecy Conferences being held in various countries at present. In the near future the New World Order will go into effect. What does this mean prophetically speaking? This is the revival of the Roman Empire. They will choose a leader in the future to be the head of this Order. He will be the antichrist and rule for seven years. The Bible says this man will be mighty and perform miracles. Even the very elect will be deceived by him. After the seven year reign and the Battle of Armageddon, the antichrist, the false prophet and the devil will be cast into the lake of fire. **The good news** is the Church of Jesus Christ will be spared from the seven year reign of the false prophets. All born again Christians will be with Jesus during this period and then return with Him at the end when He fights the Battle of Armageddon at Jerusalem.

How near are we to the end? The Bible states that an Army of 200 million men will advance from the East to fight the final battle. China now has that many. They will cross the Euphrates River on dry ground. Revelations 16:12 tells us the river will dry-up. In 1990, a dam was built by Turkey to fulfill this prophecy. The New World Order is unfolding so fast it is beyond belief. Other prophecies, such as earthquakes and plagues, are also happening. It would take a book to write about all of them. **Christians, look up, your redemption draweth nigh!**
